**Subject:** Additional Stop Sign

Mr. Ed Howard, is a resident who lives at 126 River Road East and President of the Bushman's area development. He represents the residents of Bushman's and is requesting two stop signs be added to the Bull Creek Road and Charlestown Bethlehem Road intersection. Presently, there are existing stop signs on Charlestown Bethlehem Road, but no stop signs on Bull Creek Road.

Corn growing in the fields adjacent to the intersection make it very difficult to see vehicles as they approach the intersection. Some residents of Bushman's have experienced vehicles running through the stop signs and causing accidents. The sight distance at the intersection is an issue and adding stop signs should help with the overall safety of the intersection.

I recommend we add the two requested stop signs.
